OPEN TO THE PUBLIC

The restaurant is now open with a **full** menu including Dinner on Friday and Saturday evenings.

### **Brunch will resume on Sunday, June 14th.**

Reservations for Dinner and Brunch will be required as we have a maximum number of people allowed in the facility. No reservation will be needed for lunch.

The dining room and back deck will be open for seating. Moving tables together will not be allowed as we must maintain social distancing thru the duration of Phase 2. The maximum number of people we can allow inside the restaurant is 45 people at any time. We ask that everyone be respectful of other customers and limit your stay accordingly.

## HERITAGE SWIM CLUB

We hope you had an opportunity to visit our pools. Thank you for your patience and understanding as we navigate our way through these new restrictions. We had a very short window to get ready to open for you and a lot of Heritage employees and Swim Club Management employees have worked hard in making that happen.

We certainly wish we could allow our Swim Club members to come and go as they wish. The Governor's mandate allows us 92 people at each of our pools and we want to be fair to everyone. We will use the reservation system below to regulate attendance. We are researching online options to make it easier for everyone. When we find a better solution, we will get that information to you asap.

<b>Call in Day</b>	<b>May reserve for these days</b>
Monday.	Monday - Tuesday - Wednesday
Tuesday	Tuesday - Wednesday - Thursday
Wednesday	Wednesday - Thursday - Friday
Thursday	Thursday - Friday - Saturday
Friday	Friday - Saturday - Sunday
Saturday	Saturday - Sunday - Monday
Sunday	Sunday - Monday - Tuesday

- A member may reserve two blocks, not on the same day. Members may only reserve blocks for their membership. Members walking up without a reservation will be allowed in provided space is available. They will be considered part of the current block and subject to leaving at the end of that block.

We will begin answering phones at 9:15 Monday thru Saturday and 11:15 on Sunday.

**LAKE POOL 919-453-2031**

**VIEW POOL 919-453-2030**

• **Time “Blocks” will be as follows:**

Monday thru Saturday	10:00 - 1:00	Sunday	12:00 – 2:00
	1:30 - 4:30		2:30 - 5:00
	5:00 - 8:00		5:30 - 8:00

- When your block of time is up, please exit the facility as our combined staffs will need to clean before the next block of members enter.

If your block of time is over and you wish to stay into the following block, we will accommodate you if possible. If more members want to stay than spaces are available, we will institute a lottery system to determine who can stay. Lottery entries will only be accepted at the end of the current block.

If we see the need to alter block times we will. Hopefully in Phase 3 we will be allowed to let our members come and go as they choose. Thank you in advance for understanding our position and the difficult job our pool staff has in regulating this.
